PASTOR'S COLUMN

Reception of Holy Communion

With the training of new Extraordinary Ministers of Holy Communion at both parishes, it seems timely to also review the norms for receiving Holy Communion.

Receiving Holy Communion with care shows our reverence for the Lord and also our belief in His real presence. Christ is "truly, really, and substantially contained" in Holy Communion. His presence is not momentary nor simply signified, but wholly and permanently real under each of the consecrated species of bread and wine.

The bishop has instructed us, "when receiving Holy Communion, the communicant bows his or her head before the Sacrament as a gesture of reverence and receives the Body of the Lord from the minister."

The minister "raises the host slightly and shows it to each, saying, 'The Body of Christ.'" The communicant replies, "Amen," and receives the Sacrament. The communicant chooses whether to receive the Body of Christ in the hand or on the tongue. Choosing the form of reception of Holy Communion remains solely the decision of the communicant and not the minister. "The norm established for the Dioceses of the United States of America is that Holy Communion is to be received standing, unless an individual member of the faithful wishes to receive Communion while kneeling."

If receiving in the hand, you must have both hands completely free, so you cannot be carrying a phone, a child, a purse, bulletin, car keys, cane or handkerchief. If you do not have both hands completely free, I have instructed Eucharistic Ministers to distribute communion on the tongue.

When receiving in the hand, your dominant hand goes under your other hand, so that the host can be placed carefully in the palm. Then your dominant hand immediately places the host in your mouth, taking care that no part or particle of the host is dropped or lost. Do not walk away with the host still in your hand.

"We are encouraged to receive Communion devoutly and frequently. In order to be properly disposed to receive Communion, participants should not be conscious of grave sin and normally should have fasted for one hour. A person who is conscious of grave sin is not to receive the Body and Blood of the Lord without prior sacramental confession except for a grave reason where there is no opportunity for confession. In this case, the person is to be mindful of the obligation to make an act of perfect contrition, including the intention of confessing as soon as possible (canon 916). A frequent reception of the Sacrament of Penance is encouraged for all."

The bishop has also instructed that the consecrated host is

not to be placed in a pyx during the Communion Procession. If you are bringing Communion to the sick, arrangements need to be made with the priest either before or after Mass.

From Fr. Estabrook & Saint Clare Parish Finance Council

First and foremost, Thanks to our Saint Clare Parish family for your continued support!

The financial report published in the bulletin, and submitted to the Diocese, is an indication that Saint Clare is in stable financial condition and for that reason, we are truly grateful and blessed.

Financial stability enables Saint Clare Parish to carry out its mission, “to celebrate our Faith and cultivate lives of service and stewardship.”

This financial update is for your awareness. We believe that full transparency is crucial to increased understanding and accountability for all of us as Stewards of the parish.

For the fiscal year ending June 30, 2026, we are pleased to report that Saint Clare experienced a positive bottom line with a surplus of approx. \$97,000. We have a positive Fund Balance of approximately \$1.4 million.

We monitor financial performance through the lens of the following 3 categories:

- Parish Operations
- Capital Improvements
- Special Bequests

Parish Operations:

This past fiscal year, Revenue (from Offertory, Fund-raising, and School support) exceeded Operating Expenses resulting in a modest surplus of \$12,000.

- It is important to note that “Parish Fund Raising events” are important and necessary to help offset expenses. Your participation in making these events a success is most appreciated.

Capital Improvements:

Contributions to the Capital Improvement Fund this past fiscal year were in line with our budget. As noted in last year’s report, we executed our plan to complete certain projects that were intentionally delayed until our new Pastor arrived.

- As a result, capital expenditures this past year exceeded collections by approximately \$83,000. However, we were able to draw on last year’s surplus along with current year Capital Improvement collections to fund parking lot improvements and a new roof for the parish business office and other smaller projects.

The two main projects alone amounted to approximately \$150,000 and were completed as planned.

Again, thank you for your generosity in helping to keep our facilities in good condition.

Special Bequests:

Outright gifts to Saint Clare, designated as Special Bequests, continue to be a significant source of revenue. We are very grateful to those who remember Saint Clare in this way. This past year totaled \$168,000 including earnings on these funds.

Other noteworthy comments/concerns:

- School Support for Corpus Christi Academy (CCA) is a line item in our budget. CCA is a joint parish-school with Sacred Heart of Jesus Parish. CCA is not an independent school and therefore we have a vested interest in helping CCA to be successful. We provided a subsidy of \$40,000 this past year in support of CCA and are pleased to report that CCA experienced a positive bottom-line for fiscal year ended 6/30/26.
- Re: Online Giving, we cannot stress enough how important this is to Parish sustainability. Please make every effort to sign up via our Parish website if you haven’t already. As mentioned in the past, this provides greater visibility and consistency when projecting revenue for planning and budgeting purposes each year.
- Lastly, although we managed to experience a positive bottom-line this past year, our Weekly Offertory was down 6% vs last year. If your personal budget permits, please consider increasing your giving in any way you can to support Saint Clare’s ongoing mission.
- Finally, be assured that we, as Parish Finance Council, will continue to focus on strong fiscal management to maintain Saint Clare’s financial well-being.

Thank you for your continued support of the Church of Saint Clare and May God bless you and those you love!

Happy Priesthood Sunday

Thank you for your "yes" to God's call.

PRAYER FOR PRIESTS

O Jesus, our great High Priest, hear my humble prayers on behalf of your priests. Give them a deep faith, a bright and firm hope and a burning love which will ever increase in the course of their priestly life.

In their loneliness, comfort them. In their sorrows, strengthen them. In their frustrations, point out to them that it is through suffering that the soul is purified, and show them that they are needed by the Church; they are needed by souls; they are needed for the work of redemption.

O loving Mother Mary, Mother of Priests, take to your heart your sons who are close to you because of their priestly ordination and because of the power which they have received to carry on the work of Christ in a world which needs them so much. Be their comfort, be their joy, be their strength, and especially help them to live and to defend

PARISH LIFE & REFLECTIONS

Helping Newcomers Feel Welcome Is One of the Simplest Ways to Strengthen Our Parish.

By Fr. Kevin Estabrook

If you see someone at Mass you don't recognize, introduce yourself. You don't need to know whether they're a visitor or a longtime parishioner.

"Hi, I don't think we've met. I'm ____" is enough to start a conversation.

A few friendly questions can help:

"What brought you to St. Clare?"

"Have you met our priest?"

"Have you registered with the parish yet?"

Share a little about yourself, and if appropriate, offer to introduce them to a priest or a member of the Welcoming Committee. Be natural; you're not conducting an interview. Sometimes the best welcome is a smile and "I'm glad you're here."

Being welcomed more than once is a good thing. It takes time for a church to feel like my parish.

A welcoming parish isn't created by the priests or Welcoming Committee alone, but by parishioners who notice one another and make room for someone new.

See a new face? Introduce yourself.

Your welcome may be why they come back.

Hello to all of our families and friends of Corpus Christi Academy!

As a Notre Dame Ace Academy, Corpus Christi Academy has the pleasure and privilege of inviting educators from across the country into our building to observe the amazing things taking place on a daily basis.

This month alone we have had Suzanne Lester, new assistant superintendent of the Diocese of Cleveland, Ryan Clark, Carissa Maddox, and Frankie Jones from the University of Notre Dame, and our NDAA Regional Director, Lisa Oriti. The influence and impact of collaborating with all of these amazing educational leaders is evident in the building and the Corpus Christi Academy community. Their support has increased the capacity of our teachers and administrators and will continue to lead to greater success for our students. Thank you for your continued support and please keep us in your prayers.

Joy is the Fruit of the Spirit for the Month of October

In the Bible, joy as a fruit of the Spirit is a deep, supernatural gladness that comes from God rather than temporary human circumstances. The Apostle Paul lists joy second in Galatians 5:22-23 as a natural product of the Holy Spirit working inside a believer.

Joy vs. Happiness

- **Happiness** depends on what is happening around you. If life is good, you feel happy. If life is hard, happiness fades.
- **Joy** is an inner stability. It stays steady even during trials, sadness, or pain.
- **Not the absence of pain:** Having spiritual joy does not mean you never cry or feel depressed. It is trusting God in the middle of the struggle.

Key Characteristics of Spiritual Joy

- **It is a gift:** You cannot manufacture true spiritual joy by yourself. It grows in your heart as you draw closer to God.
- **It is anchored in God:** It comes from knowing God's love, remembering His promises, and focusing on salvation through Jesus Christ.
- **It is a source of strength:** The Bible states that "the joy of the Lord is your strength" (Nehemiah 8:10), meaning this inner confidence helps people endure hard times and resist temptation.

As we grow and build our school community with the support of our students, families, faculty, and staff, remember: we always strive to "Do Better," celebrating small victories and 1% gains every day, inspired by our Root Beliefs:

- Jesus is the Model
- We are All Learners
- Communication and Collaboration Unite

Let's continue to INSPIRE, EXCEL, and SERVE our families, friends, and community!
