Miracles <https://watch.formed.org/videos/lourdes-story-of-faith-science-miracles> February 14th is **St Valentine's** day;

though his feast day is no longer on the Church's calendar the secular world continues to celebrate it & it's a good day to remember the heart of the day in the unconditional, never ending love that God has for each of us, and His "valentine" gift

to us in Jesus Christ, The Word of God, the ultimate “love letter”. Click here to watch the animated **Lukas Storyteller: Saint Valentine** <https://watch.formed.org/videos/lukas-storyteller-saint-valentine>

It is at this exact moment that our faith is most needed! St Paul encourages us to do everything for the glory of God. Reflect on what you will do or give up this Lent (prayer, fasting, almsgiving) and how it will draw you closer to God.
