It's a good day to remember the heart of the day in the unconditional, never ending love that God has for each of us, and His “valentine” gift to us Jesus Christ, The Word of God, the ultimate “love letter”. **It is at this exact moment that our faith is most needed!** Luke’s version of Christ’s Beatitudes is shorter & to the point than in Matthew’s gospel; blessed are the poor, the hungry, the weeping, the hated, is immediately followed is a list of woes for those who are rich and satisfied. Spend time before Jesus in Adoration this week and reflect on what we can do for those who are poor, hungry, weeping, or hated and then do it!
